Product technical sheet JUMPOO 2220

Product data

Length	300 cm
Width	300 cm
Age group	4 - 15 years
Number of users	4 kids
Safety zone	47,1 m2
Free fall height	90 cm
In accordance with norm EN	1176-1:2017
Availability of spare parts	YES
Color options	

Data is subject to change without prior notice.

Additional information

- equipment intended for public playgrounds;
- equipment has a certificate issued by an accredited entity or a declaration of conformity;
- no sharp edges or chinks that would pose a danger of jimming the head, fingers or any other body parts;
- render is for reference only, the actual appearance of . the equipment and its color may vary;

Guarantee

30 year guarantee -Structural strength of steel 15 and stainless steel components

Detailed information in the guarantee card

Structural failure of steel

10

10 year guarantee - Structural failure of high density polyethylene and high pressure laminates components

5 year guarantee - Corrosion of stainless steel and hot dip galvanized and powder coated components; against bark beetles and rot in case of wooden structural elements
